COUPON CLIPPING PROGRAM

Guide to Units and Departments

Provide a valuable service to military families by participating in the *Coupon Clipping Program*. We all know the value of coupons when trying to stretch our grocery dollars – something as simple as clipping and sending manufactures coupons to military commissaries can provide a needed boost to a military family's household operating budget

Bases Accepting Coupons:

Defense Commissary Agency (DeCA) recommends sending coupons to these bases (**addresses attached**):

England – Lakenheath
Germany – Heidelberg, Ramstein, Wiesbaden, Vogelweh
Italy – Naples, Vicenza
Japan – Misawa, Yokosuka, Yokota
Korea – Kunsan, Osan, Yongsan
Okinawa – Camp Foster, Camp Kinser, Kadena AB

Sending to Bases outside this list:

Unless you've established a direct line of contact with the Commissary Director who has agreed to accept the coupons you send, assume stateside bases have plenty of access, through local papers/circulars and online.

Coupon Expiration Dates:

The DeCA recommends that you do not send coupons older than **three** months beyond the coupon expiration date. Manufacturers require commissaries to return coupons within six months of expiration. Any coupons accepted, but older than six months by the time they make it to the manufacturer will not be paid; therefore, the value of the coupon comes from the Commissary budget.

Tracking what you send:

Keep track of the estimated value of the coupons you send. Since shipping cost is determined by weight, keeping track of pounds rather than counting coupons will work for annual reports.
