

American Legion Auxiliary, Department of Washington
Veterans Affairs & Rehabilitation Valuation Guide
Revised November 2009

Please use this as a guideline for putting a value to items donated to our Veteran's Facilities, as well as our Military facilities. For new items use the cost of the item (retail). For new homemade items total up the cost of the supplies (ie fabric, yarn, thread, etc).

Remember to track your hours in making the item as Home Service Hours. Time serving or giving the item to the Veteran is tracked as Field Service Hours.

*NOTE: neither knitted nor crocheted items can be accepted at American Lake or Seattle VA
Vancouver Liver Lodge cannot accept lap robes, quilts or blankets made of fleece.
Sizes noted are always the Finished Size.*
